Radix Lumen Media Inc. Paperback. Book Condition: New. Melissa Flores (illustrator). Paperback. 24 pages. Dimensions: 8.5in. x 8.5in. x 0.1in. We grew up cherishing childrens classics like Brown Bear, Brown Bear, and Green Eggs and Ham; and childrens series like the Berenstain Bears, and the stories by Dr. Seuss. It does not happen often but sometimes something special comes along that sparks a new tradition for the generations. . . Panso the Dog is the first in the series, a heart-warming story and introduction to the animal characters and their adventures while they go about their business on a little farm by the sea. It is a tale of longing and duty, about overcoming doubt, and about the choices one makes in the moment of truth. A little dog realizes his importance while making a new friend along the way. A great stepping stone for introducing a child to the love of books: full color pictures serve as the perfect introduction to farm animals for younger children, while the story is sure to capture the imagination of older children, and is easy for them to read along. Can you afford to pass up the chance of giving your son or daughter, your niece or nephew, or your grandson or granddaughter one of the greatest gifts in life Passing down to them your love for reading Ensure your childs bright future.
