Excerpt: .from NTTMBERS HEAT.ED BY THE POWER OF OOD. 51 their last employers proved unavailing, on account of the rumors against their characters, and finally, when they were brought to the test, about half of them chose to renounce their religion rather than lose their work. The others were discharged and scattered to different parts in search of employment. Many of them suffered severely for want of the necessaries of life, and were only kept from starving by the collections taken up for their benefit among the more fortunate Saints in other parts of the mission. Among others who yielded to the pressure which the enemies of the Saints brought to bear against them, was the sister who had been healed on being baptized. Notwithstanding her former zeal and resolution, and the miraculous power of God which she had experienced, she abandoned the faith. She...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
