If you had one, it would probably be your best friend. It would always want to play with you, and it would always know how you're feeling. On dark and stormy nights, if your triceratops got scared, you could let it sleep in your room. True, a triceratops is a little on the huge side, but that just means more pet to love, and more pet to love you back! Just imagine your very own pet triceratops running out to greet you at the end of the day. Ooof! Wouldn't that be the best thing ever?.
